

# Somali American Community Association Family – Tutor Connection Program

## What is the Family-Tutor Connection Program?

The Family-Tutor Connection Program is designed to assist children with their homework and understanding of the connection between academics, careers choices, and the world of work.

## How does it work?

1. We recruit qualified and professional individuals with experience working with children and families.
2. We conduct FBI criminal background check with all of our volunteers and train them.
3. We bring parents or guardians, children and tutors together to get to know each other and plan a weekly tutoring session.

Would you want to be a volunteer? Do you want tutoring for your child or children? If so, please contact us at 301.565.0320, or at [programs@sacausa.org](mailto:programs@sacausa.org).
